Dreaming of Alma Mater
Down on the Eastern Shore
Dreaming of pals and friendships
Memories forevermore.

Deep in my heart there's a longing
Just for a sight of you;
I know you're always waiting,
I know you're always true.

Alma Mater, Alma Mater, I love you.
Paradise forever lies 'neath skies of blue.
In the sunshine or in shadow ever new,
Alma Mater, Alma Mater, I love you.

In Memoriam

VIRGINIA B. CRISP

Born February 6, 1930

Died March 3, 1948

A beloved member of Homeroom Nine and of the Class of '48.

SENIOR CLASS HISTORY

FRESHMAN YEAR

At last, we have reached that peak of all our thoughts, entering Wicomico High School as "Freshies." The Home Rooms in which we were engulfed that year included 3, 5, 8, 12, 13, 17, 24, and 30. We came up against quite a bit of confusion when much to our dismay the school had more rooms than anticipated. Many of our classmates took part in Glee Club, May Day, and Variety Show activities. Field Day was also a grand climax for our first year of high school life. Lonesomeness, however, was definitely not in our category; there were two-hundred and ninety Freshmen enrolled.

SOPHOMORE YEAR

Coming back to Wi-Hi as Sophomores, we engaged in different sports, Glee Club and and another musical, "The Footlight Revue," under the capable direction of Miss Sara G. Adkins. Our homerooms this year were 3, 5, 9, 30, 31, and 33. After a long-awaited summer vacation we hoped to return to better work, more activities and future pleasant memories.

JUNIOR YEAR

"Big Wheel" Juniors at last! This was a big year for all of us. We took part in Junior-Varsity, and Intramural Sports such as Basketball, Football, Baseball, Fieldball, and Soccer. One-hundred and ninety-three in number we participated in other activities besides sports. Student Council, Glee Club and Ensemble, Wi-Hi News Staff, Press Club, and May Day were a few more interesting and entertaining extra-curricular activities. One of the main events of the year was the election of Class Officers—these included Joan Stauch, President; Walter Phipps, Vice-President; Mary McDonough, Secretary; Douglas Parsons, Treasurer; and Mary Earle Nock, Historian. Our Junior Class Play "Sixteen in August" was a hugh success and very entertaining for average teen-agers. The Junior-Senior Banuet proved great fun for all who attended. Jimmy Wilson, a Sophomore and our school magician, performed many interesting and amusing feats of magic proving that the hand is quicker than the eye. A dance which followed the Banquet proved successful with a large turnout. We leave our Junior year with fond memories and pleasant hopes for our best and final year as students of Wicomico High—as Seniors.

SENIOR YEAR

Alas, we have reached that final and most remembered year of the sophisticated Seniors — one hundred and sixty-nine returned in September of 1947 to homerooms 3, 5, 9, 27, and 30. Class officers elected were Douglas Parsons, President; Edward Stephens, Vice President; Mary Louise White, Secretary; Ann Robins, Treasurer; and Betty Johnson, Historian. The newspaper was edited by Mary Louise White, and Joan Stauch presided over the Student Council. Each Senior homeroom was represented by two Seniors at the Student Council. Faculty advisor was Miss Audrey Stewart. Athletics were under the capable direction of Miss Edythe Trigiani and Coach Al Romansco. Coach Seidel was the direc-

tor of Varsity Basketball for Boys. Mr. Eagler, our Music Director, made plans for an operetta, the "Feast of the Little Lanterns," a Chiness Musical Pageant. The Senior's Class Play, "Double Exposure," was under the capable guidance of Miss Erwood. The Senior Prom, Junior-Senior Banquet, May Day, and Graduation were all eagerly awaited.

Thus, we, the class of 1948, do leave Wicomico High with the staunch realization that these have been the best years, days, and moments of our lives. We extend our deepest regards and fond apprciation to the Faculty and Principal who have given to us unceasing guidance and time to our ever-present problems.

Historian,

Betty Johnson

MOTTO—Ability and Effort Pilot Us to Success.
COLORS—Red and White.
FLOWER—Red Rose.

CLASS WILL

Hear ye! Hear ye! I, the town crier, on behalf of the Class of '48 of Wicomico High School, of the city of Salisbury, of the County of Wicomico, in the state of Maryland, U.S.A., of the continent of North America, of the earth, of the Universe, call you together to listen to the last will and testament. She has endeavored to distribute these gifts impartially and justly, and hopes you will accept them with a large charge. Silk, milk, folap!

Listen while I read this great hysterical document so dully drawn up and sworn at.

"We, the Class of '48, being of insane miinds and weary of scrubbing paint, (ahem) do hereby bequeath and give our unearthly possessions to you unlucky inmates."

1. Joan Stauch leaves her innumerable talents to Bill Malone.

64. The Prom committee leaves exhausted.
65. Edward Stevens leaves the Junior Class looking for a taller Vice President.
66. The Class of '48 regretfully leaves Wi-Hi appreciative of the faculty's help and guidance in the last four happy years.

PROPHECY OF CLASS OF '48

This is the future of the senior CLASS;
This is all that will come to pass.
Your future years to us have been trusted;
Will you be rich or will you be busted?
Nevertheless, come happiness or strife,
This, fellow students, is your future life.

JIMMY SMULLEN has gained his ambition;
He's now a famous obstetrician.

BEATRICE SCHOR isn't a flop
She inherited her father's radio shop.

CHARLOTTE and BETTY, the Robertson cousins,
Have homes full of little B's buzzin's.

BILL LANG of great football fame,
Has finally made the Rose-bowl game.

ROSEMARY HOOVER and JOANNE HORSEY are quite a pair,
Whenever there's talk of art in the air.

When you have finished running around
Let DOUG COOPER choose your burying ground.

ROSE MANZIONE is still throwing books,
So don't give her any dirty looks.

STEWART HAEMEL, instead of sprinting
Would rather do a lot of printing.

In his father's airplanes he's flying around,
PAUL ENNIS just won't stay on the ground.

ERNEST DYKES and VIRGINIA PATTISON, we have heard,
Have yet to say a single word.

BILL SIMPSON and CHARLOTTE ENGLISH can hear no knocks,
They're repairing other people's clocks.

We'll all stand behind GRAHAM TRUITT,
He still says the Marines can do it.

ED GODFREY has quit the Blue Jays,
For a Big League team he now plays.

PAT SMITH has grown another inch,
For an airline hostess she's now a cinch.

As long as her father owns the grill,
Of food JANET ENGLISH will have her fill.

EDWARD STEPHENS has found his love
And bought an interest in Brown and Dove.

ARLENE ADAMS and BETTY BROWN have never grown,
Because of this they are very well known.

PHIL BANKS and JUNE BAILEY are as close as ever,
No matter what is said, they still go together.

In hopes that they will soon be tied down,
MARIANNE RIALL and HELEN TAYLOR are still running around.

DELORES DOWNES went to college and found a man,
Now she's following her husband's plan.

MAE GRAVENOR, ALICE DYKES and PEGGY ELLIS of room 9
Are all good secretaries — doing fine.

When you went to the movies the other night,
Did you know LEWIS CARMAN was behind the light.

JOAN ROBINSON and JANE RASSA will come to blows,
If not allowed to see the picture shows.

NANCY JOHNSON has realized her fate,
She now has a class ring from every state.

Remember WILLIAM WALLACE, who talked so long?
Well, confidentially, he's still going strong.

AHTES' restaurant is the best place to eat;
Little BILL'S meals just can't be beat.

NAOMI DOEPP is on a perch,
She's going to get married in her father's church.

JANE DAVIS is quite a Phys. Ed. tutor,
She rides to school on her motor scooter.

BARBARA JOHNSON in advertising would have been
If that guy from Hebron hadn't hemmed her in.

Everywhere you look, you see their names,
For JEAN and JUNE HOSIER have gained modeling fame.

WALLACE GRAVENOR has given up his horn,
And has decided to begin raising corn.

DANNY ELLIOTT and JIMMY BROWN
Are still the best trumpeters in town.

PATSY'S RIGGIN is no more,
She met a college boy in her father's store.

Though they still manage to get out every night,
BOB TRUITT and GENE LARMORE are the business type.

CRESTON LONG is still headstrong;
He never got geometry wrong.

RICHARD WATSON and PAUL KELLEY both know how to pray;
They sold their cars on the very same day.

WINSTON ELLIOTT has painted his car,
But still the thing won't go very far.

DONALD SCOTT has learned a lot
About the motor scooter he's got.

If you see a streak of red in the air,
It's CHARLEY BOWERS' wig of red hair.

DICK BOWEN, the muscle man,
Bursts his shirt when he expands.

RICHARD MALONE and RUSSELL SCHWARTZ, studious chaps.
Still have textbooks in their laps.

Now every night he stays out late,
For DOUG PARSONS finally got a date.

STEELE LANGFORD has finally settled down;
He and MYRT WHITE are going to town.

MARY BOUNDS, LORRAINE BAYLIS, and PHYLIS HORSTEMEYER,
Are still ardent Red Shield admirers.

Guess who got HITCHed? None other than SHIRLELY,
And it seems JESSIE HUSTON doesn't get in early.

ELEANOR ADKINS has her fill
Of sawing boards for her father's mill.

DONALD CROCKETT lost his baby,
Sold his car and joined the Navy.

Patients are no longer getting worse,
SUSIE BAKER'S a registered nurse.

ELAINE ELLIOTT, BETTY ELLIOTT and CAROLYN BROWN
Work as secretaries without a frown.

ANN ROBINS and JOAN STAUCH are still having fun;
With their personality, they've got the boys on the run.

If a prescription you must fill,
GARY GARDNER will fill the bill.

ALBERT BANKS uses his father's car,
But when he sits on the seat he can't see very far.

ANNE REED, CHARLOTTE WIMBROW and B. J. Long,
Will go through life singing a song.

When Rodney swept her off her feet,
ANNE ESHAM's heart did skip a beat.

MARY EARLE NOCK is full of remorse,
Was JIMMY TAYLOR worth giving up her horse!

NORRIS CAREY and his wife, JOAN,
Are raising a baseball team of their own.

MAURICE WIMBROW is no longer a "cat"
His beat up car just had a flat.

DONALD MALONE is friend to all:
He will sing or play football.

TEDDY HAWKINS is through with dames,
He's finally found a peroxide flame.

When she finally learned how to drive a car,
MARY GAY CALCOTT came up to par.

FAY WHITE and EMORY LEONARD — feeling fine,
They finally got to school on time.

JOHN JOHNSON and CHARLES FOOKS
Still have their noses in comic books.

Though he still can't kick an extra point,
BILL POPE has played in every joint.

SHIRLEY PARSONS and PAUL WHITE
Now go dancing every night.

ALFRED ISAACKSON instead of spooning,
Would rather do some fancy cartooning.

JIMMY feels that BETTY JOHNSON will be happy if
She follows Miss Gordy and becomes a MRS. SMITH

Because she has trouble with Geometry,
WANDA HUMPHREYS is up a tree.

JOE SALLAC is a husky mass,
He can really catch a football pass.

WALTER PHIPPS is now the girl's choice,
He's finally lost his soprano voice.

BARBARA HURDLE, while at college,
Got a man and a little knowledge.

Here's MARION JONES, and if I'm not wrong,
She'll have Lloyd before very long.

DICK WILLIAMS and CHARLES DAVIS, we prophesy,
Will love classical music till the day they die.

LEE RADEMAKER will charge huge fees
For performing appendectomies.

T. LEE SMITH, though not from Mental lack,
Still sings, "The Blue Serge Suit with the Belt in the Back."

RICHARD WOOTTEN and HAL WEST,
Taught safety driving — you know the rest.

A couple just left on a honeymoon,
It was CLIFFORD HALL with BETTY DISHAROON.

Guess who's husbands are making millions?
IRENE WILKERSON and NORMA WILLIAMS'.

RUTH SMITH and CATHERINE TIMMONS
Sit in the shade and eat persimmons.

JOSEPHINE WALSH, a registered nurse,
Takes her patients home in a hearse.

Because she's eating Sweetheart bread,
JOYCE RAYNER is being rushed, it's said.

ELOISE TOADVINE and PATSY TRUITT
Are stenographers, and I always knew it.

CATHERINE OWENS and BEVERLY PARKER, it is said,
Keep their husbands very well fed.

If you ever take a trip by air,
You'll probably find CHARLOTTE GRAVENOR there.

RICHARD POTTS and FRANKLIN DISHAROON
Now play soccer by the light of the moon.

THERESA PICKEL won her bet,
She's now a professional majorette.

I went down town and who did I spy,
But FRANCIS PERDUE, and he's still a swell guy.

ROBERT FELTER needs no amends,
He will always have a lot of friends.

GEORGIA MORRIS, CHARLES MERRITT did tease,
But now she and BETTY WILLIAMS are saying, "Number, please."

You can eat a plum, you can eat a berry,
But JULIA LECATES and BETTY McHUGH are secretaries.

JOANNE FIELDS wants to be a canary,
But GLORIA MARVEL and JOAN McCAFFREY are good secretaries.

You may think he's a regular guy,
Still BOBBY SIMMS is flying high.

ELVA LEE MARSHALL'S having a time,
After all we had to have something to rhyme.

WANDA DYKES, RUTH FOOKS, and RADA ADKINS are to be found,
Working in offices down town.

Everybody else may be up to par,
BILL MORRIS just wrecked another car.

BILL NOCK, we have heard,
Is still going by his middle name — BYRD.

RUTH TAYLOR is gazing at the moon,
In hopes that she'll be married soon.

I think you all know JULIA THOMAS,
As a beautician she shows a lot of promise.

MAHLON TROUT is in Commercial Art;
No one else can fill his part.

DICK WAGNER may get to be a lawyer,
If he ever wades through Tom Sawyer.

Though he's married and growing old,
BILLY PALMER'S still a merry old soul.

HELEN TARKINGTON was a photostatician,
But now her family has an addition.

ROSE MARIE COCHRAN gave up her job,
Settled down and married Bob.

Though he still finds time for nice-looking tomatoes,
MERRILL CULVER raises sweet potatoes.

HAZEL TILGHMAN lives down by the mill,
For she finally married dear old Bill.

DORIS BRUMBLY has a full purse,
She turned out to be a nurse.

The ADKIN'S — BERNICE, PHYLISS, and GWENDOLYN,
Now each sport a fraternity pin.

GERTRUDE TAWES made her debut at the altar,
And MARGARET MORRIS was led up by the halter.

DONALD WHITE, the world will see,
Because a traveler he plans to be.

THERESA FRANKS as the career of her life,
Has chosen that of a housewife.

Wait everyone — hold your hosses,
EVELYN FLEMING and JEAN SCHOONOVER just married their bosses.

PEGGY JEAN BROWN is gazing in the sky,
In hopes that she'll soon find a guy.

ROBERT CALLOWAY, and NORMA CROCKETT have confided
That they are still very undecided.

LEVIN BARKER and DONALD PRYOR know it all,
Though one is large and the other small.

Working in an office you'll find RUTH FOOKS,
Bending over her boss's books.

CHARLOTTE BOWEN has had her fling,
She's now settled down to sing.

JO HOBSON got married — Whattaya know,
Now she takes Junior to the cowboy show.

Latest news bulletin! CHESTER KING,
Just bought his girl a ring.

SHIRLEY TAYLOR will never be poor,
She found a fortune in Baltimore.

YO-YO TWUCKET fell in a bucket, and oh how she did shout,
She kicked and screamed, and prayed that BILL would come and pull her out.

Now all this may be truth or fiction,
But your actions justify this prediction.

STUDENT COUNCIL

The Student Council is an organization formed to help better all activities for the student body. These include assemblies, pep rallies, and any other activity connected with the school. As usual the monitor system was organized to improve behavior in the halls. Also the Student Council took charge of and sponsored "All School Night," which is the displaying of all work done by the students in various departments.

The various officers of the Student Council were Joan Stauch, President; Walter Phipps, 1st Vice-President; Jimmy Wilson, 2nd Vice-President; Joan Hemming, 3rd Vice-President; and Maurice Wimbrow, Secretary-Treasurer.

The monitor system was headed by Walter Phipps. Jimmy Wilson planned the assemblies and Joan Hemming took charge of the social activities. The council, in general was taken care of by Joan Stauch.

Top row: J. Twilley, N. Jackson, J. Hobson, B. Jones, E. Adkins, C. Wimbrow, J. L. Dick, R. Hoover; Second row: R. Manzione, B. A. Jackson, N. Richardson, T. Henderson, J. Rayner, J. Hosier, R. WI-HI NEWS STAFF AND PRESS CLUB

This year the "Wi-Hi News" which was first published in 1937 under the editorship of Audrey Stewart, present faculty member, reached its eleventh year of publication.

This school paper is edited by an editor and associate editor elected by popular vote of high school students and a staff appointed by the editor-in-chief.

Unlike many school papers, the "Wi-Hi News" is printed in a downtown printing shop and is operated as an extra-curricular activity.

The staff published an edition of the paper about every two weeks. This year's editor-in-chief was Mary Louise White and the associate editor was Betty Jane Long.

An extra job of the "Wi-Hi News" is to sponsor a Press Club. As stated in the constitution "the associate editor of the "Wi-Hi News shall become president of the Press Club."

Its officers this year were: President, Betty Jane Long; Vice President, Mary Earle Nock; Secretary-Treasurer, Anne Reed. The Press Club sponsored in February a George Washington's birthday dance for the entire school. The dance was a great success and appreciated by everyone.

Top row: J. Watson, R. Bennett, F. Benson, B. Bowen, B. Bogage, S. Taylor, J. Taylor, M. White, E. Cropper, N. Kemmerer, P. McCaffery; Second row: B. Schor, S. Ward, C. Woodward, B. Williams, B. Davis, B. Elliott, P. Morgan, M. A. Bull.

GLEE CLUB

This year instead of a regular Glee Club, the Senior Ensemble, Junior Ensemble, Choir, and Eighth-Grade Glee Club were organized under the direction of the school music instructor, Mr. Granville Eagler.

The Senior Ensemble was especially active this year. In the fall several girls were chosen to sing with the all-state Glee Club at a Maryland teachers' meeting in Baltimore. The girls also sang at the Business and Professional Club, Wicomico Women's Club, and at some of the local service clubs. At Christmas they sang at the Parson's Home for the aged and at the Peninsula General Hospital. Also at Christmas they presented a radio broadcast in front of the Court House and a Christmas assembly at school. The Ensembles have sung at May Day, Commencement, and presented an operetta entitled "The Feast of the Little Lanterns."

WICOMICO HIGH SCHOOL BAND

This year former Band Leader Mr. "Mike" Ronca was succeeded by Mr. Andrew Jupina from McAdoo, Pa.

The band was exceedingly active this year. In the early fall, the band was taken to Claymont where it participated in a parade at the Delaware State Firemen's Convention. At this convention Ann Robins, chief majorette, received one of the first prizes.

Some of the main events in which the band participated are: Salisbury State Teachers' College Assebly, State Teachers' College District Teachers' Meeting, Youth Program-Rededication Week,p arade and concert for a play "Cornzappopin." At Christmas the band played in the Santa Claus parade and with the Wi-Hi Sr. Ensemble presented a Christmas program in front of the Court House. The music of the band was heard and enjoyed at all the football games and at several basketball games.

The annual Spring Concert was presented in the Wicomico High School auditorium on April 2, 1948. This concert was highly successful.

Many of the band's best musicians and several of the main majorettes will leave with the graduating class of '48.

FOOTBALL

Under a new coach, Albert Romansco, the Wi-Hi Indians compiled a record of five wins, three losses, and one tie. A veteran squad sparked the team and capable replacements were found for the almost all-lettermen squad.

The veterans from previous years were Bobby Elzey, Bill Lang, Maurice Wimbrow, Bill Pope, Danny Brown, Jimmy Smith, John Smith, Bill Malone, and Doug Parsons. Regrets were expressed all around that Donald Malone, the previous season's star, could not play.

Now as we regretfully leave Wi-Hi, we carry fond memories which are dear to all of us. To Mrs. Graham and Miss Wilkins goes our thanks for a marvelous prom and to Miss Erwood for the Senior Class Play. And to the rest of the faculty we offer our deep appreciation for making these last four years the best of our lives.

High School Graduates of '48 Here's Your Future

Graduation need not mean the end of your education. Those of you who choose the U. S. Army or U. S. Air Force for a career may obtain the equivalent of two years of college credit by signing up for extension or correspondence courses in the United States Armed Forces Institute.

As for the graduate interested in a trade, he will find just what he is looking for in the more than 60 technical schools of the U. S. Army and U. S. Air Force.

What makes this academic and technical schooling so attractive — aside from the knowledge gained — is that it is absolutely free to anyone enlisting. While you continue your education the government pays you a salary higher than many a civilian scale. It also provides a chance to visit and study in foreign countries, while all the time you are becoming eligible for retirement after 20 years.

Before you make your final choice of a career, it would pay you to look into the wonderful opportunities that are available in the U. S. Army or U. S. Air Force.
